

UPDATE: SEPTEMBER 2, 2020

Dear Shiloh Members:

As followers of Jesus, we make our way forward trusting in God's abiding presence and peace, while we take our own place among all God's children in this uncertain time. Thus, we must prepare for different methods of regathering. The way forward depends not only on this virus but also our actions as individuals, churches, communities, and governments. The way forward will be a matter of faithful patience, prayer, and wisdom. Below is a brief outline of our REGATHERING in the sanctuary for worship.
