Connecting to a Shiloh Community Care Group is my #1 Priority for January 2021. I want to get to know more of my sisters and brothers in Christ. I want to know that everyone is okay during this pandemic. I want to know how I can help anyone who may be struggling. I want to serve and support my brothers and sisters. I want to find friends and be a friend. It is comforting and encouraging to know that I will be a part of a supporting caring community that will love me and care for me as Jesus commanded us to do! Yes, my #1 priority this year is finding my care group and CONNECTING! Will you make this a priority too? We need one another!
