

REVEREND DR. MARTIN LUTHER KING JR.

Cowardice asks the question, 'Is it safe?' Expediency asks the question, 'Is it politic?' Vanity asks the question, 'Is it popular?' But, conscience asks the question, 'Is it right?' And there comes a time when one must take a position that is neither safe, nor politic, nor popular, but one must take it because one's conscience tells one that it is right."

Dr. Martin Luther King, Jr.

Connecting to a Shiloh Community Care Group is my #1 Priority for January 2021. I want to get to know more of my sisters and brothers in Christ. I want to know that everyone is okay during this pandemic. I want to know how I can help anyone who may be struggling. I want to serve and support my brothers and sisters. I want to find friends and be a friend. It is comforting and encouraging to know that I will be a part of a supporting caring community that will love me and care for me as Jesus commanded us to do! Yes, my #1 priority this year is finding my care group and CONNECTING! Will you make this a priority too? We need one another!
