

Kingdom Citizens Live a Life of Contentment. **Philippians 4:10-13**

Pastor Undra Parker, Shiloh Missionary Baptist Church

Contentment in our souls is a gorgeous characteristic, but it can be elusive.

2 Corinthians 11:9

NOTE: Paul *rejoices greatly* IN THE LORD.

In any situation, poverty or wealth, Paul is content.

Contentment = three definitions, “self-sufficient” or “independent” or “satisfied with current state.”

Paul - “satisfied with current state,” – being “Christ-sufficient.”

1 Timothy 6:6-8

Hebrews 13:5

The Secret to Contentment is Jesus. It is a Person.

We do not become content overnight at the snap of a finger.

Contentment depends on our trust and continued confidence in Christ.

Contentment in Christ is a relational thing.

Our relationship in Christ is established upon a PERSON, not a circumstance.

Contentment in Christ does not mean we have a “do nothing,” or “need nothing,” attitude.

To be content does not mean we love our circumstances.

When we are Content in Jesus, there is a Thank You for everything.
