

UPDATE: MAY 21, 2021

Dear Shiloh Members:

As followers of Jesus, we make our way trusting in God's abiding presence and peace, while we take our own place among all God's children in this uncertain time. Thus, we must prepare for different methods of regathering. The way forward depends not only on this virus but also our actions as individuals, churches, communities, and governments. The way forward will be a matter of faithful patience, prayer, and wisdom. What follows is our movement forward for all **IN-PERSON** gatherings.

**Beginning Sunday, June 6, 2021:**

1. In-Person Worship Service at 11:00am. Doors open at 10:15am
2. Worship Online still available <https://www.shilohmbcalaska.org/watch/>
3. **Masks are OPTIONAL**. Per CDC guidance (<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html>), **if you are NOT vaccinated** it is highly recommended that you continue to **wear your masks** the entire time while in-person.
4. Those working with children must wear masks the entire time along with the children.
5. Upon arrival for gatherings in worship on Sunday, please scan the QR Code (on entrance doors and on back or pews) for contact tracing or get with an Usher for assistance. Use your camera or download a QR Code app to your phone/tablet.

As we continue toward the future of in-person gatherings; we do so with excitement. With the mandates in the city of Anchorage and much of the world being rescinded. Along with the CDC's new guideline for fully vaccinated persons, we press forward to a new normal in our gatherings giving God praise and Glory.

*In Christ's Service,*

Pastor Undra Parker
