WEDNESDAYS @ 7:00 PM

SAIAH

The Book of Isaiah is sometimes called the "miniature Bible." Both include sixty-six sections: sixty-six chapters in Isaiah and sixty-six books in the Bible. Isaiah starts out narrating a holy God's need to judge sin. He echoes the Old Testament at the beginning of the Book and later prefaces the New Testament, revealing the salvation to come through God's Son. This study examines a broad narrative of Israel and investigates the very arch of God's Plan – to save His people by defeating sin and judgment through our Savior Jesus Christ.

All one needs is a Bible, a notepad, and a pen/pencil in studying this Book. Eight topics will be discussed with relevant insights that will help you connect God's Word to your life and live out God's Plan!

I FORGOT!

SERMON SERIES OCTOBER

During the month October we are continuing our series, HELP, I FORGOT—as Pastor Parker continues to remind us of who we are as a church; not just Shiloh but The Church. Time and time again the Lord would remind His people of what He told them. I believe He did that because He knows we will forget. Too many of God's children and allowing the ways of the world to fade their confession on Jesus and His church. There are too many scriptures to mention but one that will serve as a backdrop will be Deuteronomy 4:9 "Only be careful, and watch yourselves closely so that you do not forget the things your eyes have seen or let them fade from your heart as long as you live. Teach them to your children and to their children after them.
