

A large, stylized American flag is the background of the entire poster. The flag is shown in a dynamic, waving motion, with the stars and stripes clearly visible. The colors are slightly desaturated, giving it a vintage or artistic feel. The flag occupies the left and bottom portions of the image, while the right portion is a solid dark blue background.

Brothers for the next 30 days put down the clippers and razors as we partner together and stand in solidarity to raise awareness, evoke conversation, and educate about cancer, diabetes and heart disease prevention and save lives. Just as we've declared war on racism, it's time we battled the demon of poor health because too many of us are unnecessarily losing that battle. We must become proactive—join Shiloh Men's Virtual Gathering this month.

KNOWN BY GOD.
CONNECTED WITH OTHERS.

The Youth will start with **GOD IS YOUR FATHER, And HE LOVES YOU**. This first Unit goes until December. It will help students understand more about foundational concepts such as who God is~ so they can experience spiritual growth. There is a family connection that will be emailed weekly with talking points for you. To discuss what was taught during Bible Study. Our youth will learn, watch a video, discuss and journal every week. We are praying for continued spiritual growth and development. The curriculum is **SEEN**: Every youth should feel seen and known in their church, their family, and their community. Walk alongside them as they build confidence that God sees, knows, and loves them too. For safety precautions, To-Go snacks will be given as they leave every Wednesday.

CELEBRATE WONDER

The Children are exploring **Celebrate Wonder** curriculum. A curriculum that seeks to celebrate spirituality through wonder. There is a Spiritual Practice activity that helps them become aware of God's presence. Peaceful Place piece is a space for the children to spend quiet time with God. AND MUCH MORE. For safety precautions, To-Go snacks will be given as they leave every Wednesday.
