

UPDATE: NOVEMBER 16, 2021

Dear Shiloh Members:

As followers of Jesus, we make our way trusting in God's abiding presence and peace, while we take our own place among all God's children during this time. Thus, we must prepare for different methods of regathering. The way forward depends not only on this virus but our actions as individuals, churches, communities, and governments. The way forward will be a matter of faithful patience, prayer, and wisdom. What follows is our movement forward for all **IN-PERSON** gatherings.

1. In-Person Worship Service at 11:00am. Doors open at 10:15am
2. Worship Online still available <https://www.shilohmbcalaska.org/watch/>
3. Masks are **OPTIONAL** for those fully vaccinated. **If you are NOT vaccinated**; Per CDC guidance (<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html>), it is highly recommended that you wear your masks the entire time while in-person.
4. Those working with children and youth must wear masks the entire time along with the children/youth. To see mitigation plan, click [here](#).
5. Upon arrival for gatherings in worship on Sunday or any other times at Shiloh, please scan the QR Code (located on entrance doors and in back of pews) for contact tracing or get with an Usher for assistance. Use your camera or download a QR Code app to your phone/tablet.

If you have any questions, please don't hesitate to reach out to us at the church.

Be encouraged in the Lord. God is in charge, and we must not let our uncertainties keep us from being faithful to Him even when His sovereign will disrupts our traditions. *Trust in the Lord with all your heart and lean not to your own understanding but in all your ways acknowledge Him, and He will direct your path* (Prov. 3:5-6). As we continue toward the future of in-person gatherings; we do so with excitement giving God praise and Glory.

*In Christ's Service,*  
Pastor Undra Parker
