What Is COVID Teaching Us?

April 20, 2022

Discussion from Wednesday, April 20, 2022, 7:00 PM

1 Peter 5:8-9 – What Is COVID Teaching Us? Always Be Alert.

Being comfortable is not what God desires for us. Cruise-control is not how God wants us to move through life. He wants us to be alert and ready, for whatever comes our way.

This is a time that we strengthen our walk with God

Be Alert About the Devil's Existence - Job 1:6-12; Job 2:1-7. He is still the same old devil that he always was and he hates you and wants to see you fall.

Be Alert About the Devil's Viciousness - The devil is compares to a "roaring lion" in this verse. Why a lion?

1. Lions Are Strong
2. Lions Are Brutal
3. Lions Are Fearmongers

Be Alert About the Devil's Vulnerability - Rev. 12:9; James 4:7; 1 John 5:4; 1 John 4:4.

To get to that place requires that every child of God grow in the Lord and that we strengthen our walk with Him daily through prayer and the study of His Word

Pray:

- Write your prayer request here and give it to the Lord.
