## Welcome To Shiloh

We are glad you chose to make us a part of your week. If this is your first visit, sit back, relax, and be our guest. We want your visit to be a special one.

Please take a moment to fill out a worship response form and place it on the offering plate or give it to me before you leave. This will enable you to request information about our church or receive communication from our staff. There is also a place to include any prayer requests or comments you want to share with us.

If you do not have a church home, I would love for you to consider Shiloh. If you have any questions about Shiloh, I would consider it a privilege to speak with you. [Introduce yourself after the service](#) or call the church office at 907-276-6673 and request a meeting with me.

Most of all, I want you to feel wanted and welcome during your time with us. I desire to know you personally and make myself available to you.

We are glad you joined us today and hope to see you again soon! May God richly bless your life!

Pastor Undra Parker

The Bible stands as the most widely sold book in history. Some people see it as a collection of obsolete and irrelevant tales, while others see it as encouraging and holy. Nevertheless, no one can deny The Bible's influence on human history. During this series, we will think deeply about the Bible, how it's designed to be used, and whether it's even worth believing. Join us as we encounter **The Bible**.

**WEDNESDAY NIGHT BIBLE  
STUDY | SEPTEMBER 20  
7:00 PM**

## THE LIFE

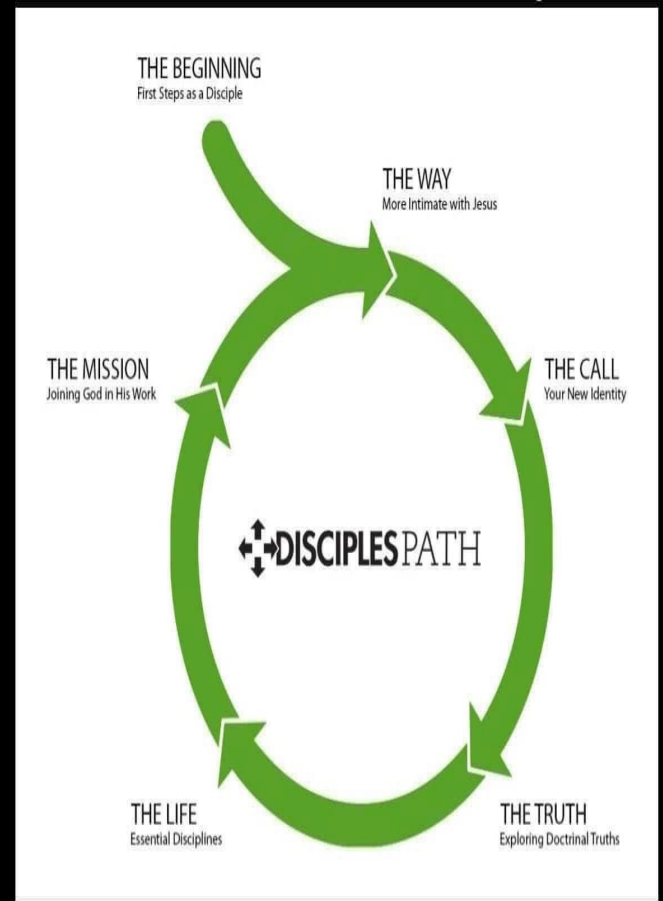

### Living the Spiritual Disciplines

**The Life Bible Study** answers the question "What does a disciple do in relationship with God?" Through this vital disciple-making experience, each group member discusses and practices the following disciplines: reading the Bible, prayer, community, serving, and evangelism. Disciples explore both individual disciplines and the disciplines of community.

Join us on Wednesday, September 20 as we continue to learn the way Jesus calls, teaches, equip, and send His followers. Our study focuses on the journey of Jesus' original disciples, The Way helps new and growing disciples walk through the Gospels, following Jesus and His methods.

Let's continue to prepare ourselves to be fully devoted followers of **THE WAY!** SEE YOU ON WEDNESDAY, SEPTEMBER 20!
