PROVERBS

The proverbs of David's son Solomon, king of Israel.

These proverbs are for gaining wisdom and discipline;
for understanding words of insight;
for acquiring the discipline that produces wise behavior,
righteousness, justice, and upright living;
for giving prudence to the naïve,
and knowledge and discretion to the young.

Let the wise listen and increase their learning;
let the person of understanding receive guidance
in understanding proverbs, clever sayings,
words of the wise, and their riddles.

The fear of the LORD is the beginning of knowledge,
but fools despise wisdom and discipline.
