SERMON NOTES

Don't let the sermon end when the service ends. As you listen to the sermon each week, take intentional notes. Revisit them during the week for prayer, reflection, and devotion. Allow the Holy Spirit to guide you into practical, everyday application of God's Word. Pray over it. Let the Spirit of God reveal how the Word should be lived out in your daily walk.
Ask boldly:
Lord, what are You saying to me?
How must my life respond?

This is the pathway to Knowing Christ and Growing in Christ.
